AGREEMENT AND SIGNATURE

I acknowledge that the above Credit Card information that I have provided is accurate and true and will be used for payment as indicated below. I have read the Short Run CD Terms of Service available at www.shorruncd.com and I consent to the payments as outlined below:

Duplication Total: \$ _____

Project Total is in US CANADIAN funds

**Extras (if known): \$ _____

I will use my own courier account

***Shipping (estimate): \$ _____

Fedex UPS Purolator

****Project Total: \$ _____

Account # _____

The Project Total amount will be charged to this credit card to activate this order. Shipping and extras charges, if any, will also be billed to this credit card within 45 days of shipping date. **Extra charges that may apply include graphic design and authoring assistance requested or any additional services required after your project master and graphics files have been inspected. ***Shipping amount is estimate only. ****Project Total is estimate only. All payments are charged in Canadian funds so the actual amount charged to your credit card may differ slightly from the estimate. We do not set or control the daily currency exchange rate and we do not know what your bank or credit card company charges for the exchange service. Estimates provided in US Funds are converted to CDN dollars using the average daily exchange rate and charged to your card in Canadian dollars. PLEASE NOTE: All payments will appear on your Credit Card as "DIGITAL DUCK INC."
